TENNESSEE VALLEY LINEMAN RODEO | EST. 1998

APPRENTICE SCORING SYSTEM: To determine Overall Apprentice results, apprentices will be awarded point's equivalent to their placement in each event. The lowest total points across all events will determine the overall winner. For example:

Apprentice 1	Apprentice 2	Apprentice 3
Hurtman Rescue – 3rd Place = **3 points**	Hurtman Rescue – 10th Place = **10 points**	Hurtman Rescue – 1st Place – **1 point**
Written Test – 21st Place = **21 points**	Written Test – 2nd Place = **2 points**	Written Test – 18th Place = **18 points**
100 amp Cutout Replacement – 4th Place = **4 points**	100 amp Cutout Replacement – 7th place = **7 points**	100 amp Cutout Replacement – 6 points = **6 points**
B-1 Tie-In – 2nd Place = **2 points**	B-1 Tie-In – 6th Place = **6 points**	B-1 Tie-In – 10th Place = **10 points**
Double Rack Installation - 5th Place = **5 points**	Double Rack Installation – 4th Place = **4 points**	Double Rack Installation – 3rd Place = **3 points**
Overall Total Points = 35 points	**Overall Total Points = 29 points**	**Overall Total Points = 38 points**

Apprentice 2 would win 1st Place Overall based on the lowest overall total points. Apprentice 1 would receive 2nd Place Overall and Apprentice 3 would receive 3rd Place Overall. If total points result in a tie, overall time will be the tie-breaker.

This will be applied to overall results ONLY. Individual event results will continue to be based on actual score and time.
